

Directive 97/23/CE**Keywords:**

Material

European approval of materials

EAM

Materials recognised as being safe

Directive reference:

Article 11 § 1 - 97/23 EC

Adopted by CLAP:**27/05/2004****Subject:**

ESR materials – Rules to establish EAM for materials recognised as being safe to use

Question:

What are the rules for establishing European Approvals for Materials (EAM) for materials recognised as being safe to use before 29 November 1999, such as defined in CLAP 105 - Guideline 9/2 (in particular to comply with the essential requirements of Annex I)?

Answer:

See the guiding principles for the contents of EAM (PE-03-01 document) and the standard form for the issue of EAM available on the internet web site <http://ped.eurodyn.com>.

Modifications compared to the previous adopted version: Editorial correction on 2004-09-16.
