FORM N°X260

Version : 1

Directive 2014/68/EU

Adopted by CLAP : 10/03/2021

Directive References: Annex I

Subject: ESR - Limits of application

Question: Do the essential safety requirements of Annex I of the PED apply to all elements of a pressure equipment?

Answer: The essential safety requirements of Annex I of the PED only apply to the components contributing to the pressure resistance (CCPR) and to the parts directly related to CCPR which are not themselves CCPR, as defined in CLAP X207 sheet (PED Guideline J-09).
